An Evening of Gratitude

4-6 p.m., Thursday, May 14, 2020

Herzog Wine Cellars featuring Hor d’Oeuvres by Tierra Sur

CAREGIVERS is pleased to present an evening celebrating the men, women and student volunteers who help to make CAREGIVERS one of the longest lasting and most impactful human service organizations in the county.

Chartered to serve Ventura County, more than 500 frail homebound seniors benefit from CAREGIVERS with the hallmark of our mission, one-on-one matches as well as Phone Friends, the Honey Do Crew, Care Packages and student volunteers for chores after school.

Founded in 1984, CAREGIVERS is one of the original pilot programs for volunteer caregiving in the nation. Over the years, hundreds of volunteer caregivers have served and contributed to seniors by providing an array of services including FREE, in-home services such as housekeeping, transportation, and most importantly, companionship. Through one-on-one relationships with trusted volunteers, we are able to help seniors continue living independently and with dignity.

Your sponsorship has a broad-sweeping impact that will be recognized by the entire community, and especially by our seniors, volunteers, and thousands of donors who join you in supporting Volunteer Caregiving in Ventura County.

Thank you for your consideration.
