SPONSORSHIP OPPORTUNITIES

The Silverstrand Open Charity Putt Putt golf tournament is a one of a kind event that brings together community, creativity, and charity! Started in 2009 with the goal of harnessing the creative energy and giving capacity of a neighborhood. Silverstrand is proud to support CAREGIVERS: *Volunteers Assisting the Elderly*.

This miniature golf tournament is only possible with the enthusiastic support of the local neighborhood. Each hole is hosted and designed by individual residents in their yard, driveway, or even living room! This brings out the creative side of our community and helps neighbors get to know one another. (If you live in Silverstrand and would like to design & host a hole, please contact us for details.)

Sponsors are needed! To help maximize the event, we offer various sponsorship levels. Your support keeps our neighborhood strong and supports frail, homebound seniors not just in one neighborhood, but throughout the entire Ventura County.

Founded in 1984, CAREGIVERS is one of the original pilot programs for volunteer caregiving — in the nation! Close to 500 frail, homebound seniors in Ventura County are able to continue living independently thanks to the generosity of volunteers who help each week with grocery shopping, friendly visits and a ride to the doctor. CAREGIVERS also works with local high schools to recruit student volunteers who have served seniors through the Building Bridges Intergenerational Program. Today, upwards of 650 programs are emulating this successful community model throughout the United States.
